

Accord Sponsorship Guide

Helping people live their greatest lives.

Together We Can Make a Difference

At Accord, we're dedicated to enabling individuals living with disabilities and mental health issues to achieve their personal and professional aspirations and embrace life to the fullest. We believe in the power of community. Our sponsors play a pivotal role in catalyzing change and empowering lives, and we're constantly seeking individuals and companies willing to lend their support.

Whether you're considering sponsorship as an individual or on behalf of your business or organization, we provide numerous opportunities for you to make a profound impact within your community.

Join us in our mission to empower individuals with disabilities and mental health issues to realize their fullest potential. Together, we can make a meaningful difference and help people live their greatest lives.

We're proud of the people we support and all that they've accomplished as we continue to fulfill our mission of helping them live their greatest lives. To make this mission a reality — to truly bring opportunity to life — requires the help and support of the entire community.

The people we support and their loved ones have called on us to guide them to the care and support they need. Your generosity helps to ensure their voices are heard; their dreams are fulfilled; and our community is stronger when everyone is able to participate.

2024 Sponsorship Opportunities

We are offering four levels of sponsorship for this year's events, ranging from Diamond Sponsorship to Bronze Sponsorship, each with their own unique benefits and perks.

Your company's contribution would go towards helping us cover the costs associated with hosting the event, as well as help us provide our guests with a memorable experience.
